Dear Friends and Supporters of Venice High School,

It's Excellence in Education Donation time!

We are currently in the process of selecting our teacher grant recipients for this school year and continue to be amazed by the quality of the requests and enthusiasm of the staff for the 2026-27 school year. Our teachers are truly amazing!

Last year, **32 classroom grants** were awarded to Venice High School Teachers because of past donations from Eva and Gil Clark and from your donations. We are in need of additional funding at this time to keep this program going for years to come. As you consider your donation amount this year, keep in mind that teachers continue to develop tools and teaching strategies that will promote academic achievement for all students. They continue to need our assitance more than ever again this year!

Your donations support teachers in many ways. Listed below are our magnet schools and four academies in the comprehensive school that have benefitted from grant funding:

- World Languages and Global Studies Magnet
- STEMM Magnet
- Academy of Law and Public Service Academy
- Sports Medicine Academy
- Media Arts and Technology Academy
- Dual Language Academy

Please join us in support of VHS by donating online http://www.venicehighalumni.com/excellence_edu.htm or writing a check to ExinEd/VHSAA (Excellence in Education/Venice High Alumni Association) and mail to 2435 Walgrove Ave., Los Angeles, CA 90066.

We, the Excellence in Education Committee, thank you for your donation.

Sincerely,

The Committee on Excellence in Education:

Jan Davis, Nikki Gilbert, Gloria Gonzales, Sheri Nagata, and Bonnie Roche-Blair
